SPECIAL ANNOUNCEMENT:

This year will be the last year for the Stamp Out Cancer Auction. It has been an enjoyable 44 years for the auction. Through the generous donations and help from hundreds of collectors we have been able to donate over \$294,000 to the American Cancer Society. Hopefully, this years auction(s) will put that amount over \$300,000. We have had a dwindling number of vounteers over the years and those volunteers have aged along with the auction! We wish to thank all of the volunteers, donors and bidders who have been a part of the auction for all these years. Without you it would have been impossible! Thank you!

This year's auction has been divided into two separate events. The US material, supplies and ephemera will be sold at this auction. The remainder of the lots (Foreign) will be sold this fall. The second auction has been scheduled for **Saturday, October 9th, 2021.**
