PROGRAM: Guest Speaker

You will want to make a special effort to attend our May meeting. We are pleased to report that Pat Ryan from Cedar Rapids will be our speaker. The subject of Pat's talk will be post cards. This field is one that is enjoying increased popularity these days as it ties in nicely with philately. For some who may not know, we are talking of view cards, cards with pictures on the back. Pat has recently been involved in starting a new Post Card Club in the city of Five Seasons. Appropriately enough, he will be visiting us just a few days before a show the club is having, May 18. He will tell us about post cards, the club and the show. Plan to attend so we can have a good crowd on hand to welcome our guest.

Last Chance

Our Annual White Elephant Auction will be held during our June meeting, so this meeting will be your last opportunity to donate to it unless you make special arrangements with our Auction Manager, Tim Kargl. Take time to put catalog numbers and prices or estimated values on those donations; in fact, you should do that whenever possible. The auction always provides us with money for the rent and an interesting evening. What will be in the "mystery box?" Will there be another vintage typewriter among the lots? What White Elephants can you find to bring for Tim to add to the list?

Remember Middle Grove?

If you do remember, you know you have one of a rare breed of precancels. This one from Big Rock is similar. Even if you do not collect precancels, hold on to this one. Come to the May meeting for more details.

River City Auction

River City Auction, an affiliate of Walt Green Stamps, announces its first auction. It is to be held in conjunction with QUAPEX '80 with specific times to be announced at a later date. Jack Wills will be the auctioneer.

Consignments are now being accepted and a commission of 10% will be charged. Deliver consignments to Walt Green Stamps, 1630 State Street, Suite 8, Bettendorf, IA 52722.

Further information will be printed as it is made available. This is an experimental venture which is subject to changes depending upon the public's response. It is intended to draw a better caliber of material than our other auctions. It should be a "profitable" addition to QUAPEX '80.

QUAPEX '80 ----- QUAPEX '80 ----- QUAPEX '80

October 11 & 12, 1980 at the Masonic Temple in Davenport, Iowa

The Board has decided it would be appropriate for us to commemorate the end of the Rock Island Line on our show covers. Ideas for the cachet and postmark are requested. To make things interesting, this will be a contest with prizes for the winning entries. We have deadlines to meet, so the contest will close at the end of the May meeting. If art is not your forte, write up a description of your idea. Either bring your entries to the meeting or mail to the editor (address page 2.) They should be postmarked no later than May 8.

President's Paragraphs:

As President of any Organization, it often happens that that person will get the praise and publicity of his Club that he does not often deserve. It is his job to preside over the various meetings of the Club and to delegate authority to the members. I will have to confess that more than once I have done this because I knew that member would do the job more efficiently than I.

And too often there are members who do not get the real recognition for their time and efforts for the Club. To these "unknown and/or unsung" members, may I offer my appreciation for the hours you have given to me and to the Quad-City Stamp Club.

And things happen to make one realize that there is still a lot to learn and to do. Just at our last meeting, one of our Juniors came up to me and asked, "Is there any way I could be on the Board of the Stamp Club, Mr. Holmes? You keep saying you want to do more for the Juniors, but you do not do anything about it." Touché, Laura, touché!

P.S. I still need your help!!!!

George Holmes

EDITOR'S NOTE: When the subject of a new slate of officers first came up at a Board meeting earlier this year, George asked that he be allowed to break with our past policy and not serve a second year as President. Even though he had other, personal considerations, he changed his mind and decided to serve another year. Knowing this and considering we have QUAPEX '80 but a few months away, let's all get together and give George that much needed support. As QCSC Members, it is our responsibility and our privilege.
