

VOLUME XLVIII, No. 8

April 1986

NEXT MEETING: Thurs., April 10th

PLACE: Moline Township Hall
620 18th Street
Moline, Illinois

TIME: Business meeting at 8 p.m.

BOURSE: 7 to 10 p.m.

EVERYTHING YOU ALWAYS WANTED TO KNOW ABOUT AMERIPEX
BUT WERE AFRAID TO ASK

That title may be a little presumptuous, but the intention is to let you know a little more about this PHILATELIC EVENT. Several of our members will be discussing various aspects of the event including meetings and Junior activities. Then there is the "how to arrive" segment. Of course, the most prestigious way is to come by QCSC bus, but perhaps you have other plans which include driving. If you have something to add that you feel the membership will be interested in, do not hesitate to join in the program. This will be our program for the April meeting; we hope you will find it helpful and informative.

Speaking of the Bus Trip...

Space is still available. The times have been decided but need to be confirmed. The times will be announced at the meeting and in the next newsletter. The Club will be furnishing coffee and donuts on the trip up.

NOMINATING COMMITTEE

We are currently organizing a nominating committee. They will be making calls and talking to people at the meeting. The report is to be given, if possible, at the April meeting. Please give serious consideration to saying YES if asked.

March Meeting

It is highly unusual that our Auction Manager is in error. We were all sorry to hear that lot #16 a selection of 13 200 through 500 issues were from Canada not the USA. Well, really we all knew something was wrong when \$4000 worth of stamps was listed as being values at \$6.17. Oh well, it was fun while it lasted.

Yes, Charles Handley is another repeat winner of a raffle. No, the PHILA-QUAD was not in mourning last month. The black masthead was a copy of our usual one, substituted because the printer discovered we were out of mastheads and had no time to get more printed in time.

The program for the evening was presented by Charles and Pat Ricketts from the Scott County Unit of the Cancer Society. They are neighbors to the DCamps and they help the society by giving these programs to inform the public about how to guard themselves from Cancer and what the Society does with its contributions. They told us the Cancer Society is one of the few agencies to offer direct aid in the community. Some of the ways they do this is by supplying equipment such as wheel chairs, offering clinics such as on smoking and they give rides to therapy to those who need assistance. One third of the money leaves the area to be put into research programs. With the Cancer Auction so near, this program was most appropriate.

SPECIAL COVER

The Railway Historical Society will be issuing covers celebrating the 150th anniversary of the first railroad bridge. The CORRECT dates are April 21 & 22. Augie thought he said it wrong, but I had it in my notes right but reported it wrong.

QUAPEX

Davenport Masonic Temple

The major topic of discussion at the last Board meeting was QUAPEX '86. Here is what has been decided so far: The bourse fee has been set and Steve Bahnsen, Bourse Chairman is sending out letters to area dealers. We are inviting the Iowa Postal History Society to have an auction. We are considering another silent auction. The theme is the 150th anniversaries of Rock Island and Davenport. The tentative plan is to have a cachet featuring each city.

COMMITTEES: Are you familiar with what these are? The definition of a committee is not the Board of Directors. Are you surprised? Committees also consist of more than one person. In a Club the size of this one we SHOULD have no trouble finding and filling jobs for everyone. Next month a complete listing of committees will be in the newsletter. Don't wait to be asked. For some of us that just gives us time to plan our excuses.

At the moment we are in need of two committees to begin work immediately. CACHET AND CANCEL COMMITTEE: The theme is chosen, now it needs to be developed. Any Juniors interested in helping? If you are artistically or research inclined, this is the place for you. PUBLICITY COMMITTEE: Our last show was only $\frac{1}{2}$ the success of previous shows. We really need to pursue an aggressive publicity campaign. If you have expertise or at least an interest in this area, you are needed soon on this important committee.

QUAPEX '86 Deserves to be a SUCCESS
