White Elephant Auction

This month's program is our annual White Elephant Auction. It is our only program because it will take some time to get through the auction that begins on page 5 of this newsletter and continues through page 6. There will also probably be more lots brought to the meeting. Be sure to look the list over to see if there is anything in the auction that will fit into your collection.

Thank you to all of you who have made contributions and to all of you who will bid generously for the good of the Club. We must also remember to thank our faithful Auction Manager and Auctioneer. George Wolters puts together a fine acution for us each and every month which requires time before and during each monthly meeting. He does not get the summer off like some of us. Ray Wilden is there every month for us as well. We would be lost without him, as we found out a while back when a serious illness kept him away for several months.

We are looking forward to another successful QCSC White Elephant Auction. See you at the meeting.

We are fortunate to have another inter-
national exhibition we can attend next
year without traveling to Europe. CAPEX
'87 will be held from June 13-21 at the
Metropolitan Toronto Convention Centre,
Toronto, Canada. Put that on your calendar.

ATTENTION MEMBERS

We can use some topicals for the silent auction such as
animals, transportation, space, etc. Thanks. The November
PHILA-QUAD will contain a complete listing of all stamps and
supplies for the auction.

Our V-P and Program Chairman, Dale Walline,
informs me that we will be having two brand
new APS slide presentations for the months
of November and December. These are new to
the program service this year.
