Volume L, No. 1

September 1987

NEXT MEETING: Thurs., Sept. 10th

PROGRAM

PLACE: Moline Township Hall  
620 18th Street  
Moline, Illinois

TIME: Business meeting at 8 p.m.

BOURSE: 7 to 10 p.m.

This month we have another in our continuing series of APS presentations. This month we will be learning about Swedish Postal History. A listing of other programs is found below.

White Elephant Auction

In October we have our annual White Elephant Auction. The lots in this auction are all donated and the proceeds from their sale go into our treasury to pay our monthly rent. While the treasury is in good shape at this time, it is still our responsibility to support this auction to pay the \$15 a month rent. Last year we had a record \$380 brought in. This enabled us to pay some other bills and has allowed us a greater degree of freedom.

Your donations are wanted and needed. You should also think of this as a golden opportunity to get rid of unwanted inventory. Try to bring your lots with you to the September meeting. If you will be unable to do so, please contact George Wolters and arrange some other time with him. The more items we are able to list in the October newsletter, the better the prices the items will be able to bring.

November: Postal History Panorama of Post World War II Germany

December: Stamps of the Steamship Companies

January: The Doctoring of Postage Stamps

February: Stamps Printing Methods, Identified and Illustrated

Quad-City Stamp Club Bourse

Sunday, October 18th, 10 AM to 5 PM  
Galvin Fine Arts Center, Room 131  
St. Ambrose University  
518 W. Locust St., Davenport, IA

We are happy to announce that all of the tables for our October bourse have been spoken for. There will be eight dealers, several of them have arranged for two tables.

Plans are currently under way to obtain advertizing in area newspapers and on local radio stations. We considered posters and decided against it feeling the news media would be more effective. We have written for a listing of area collectors who belong to the APS and are planning a special mailing to them.

In August we requested people to sit at an information table for the Club. This table will answer questions about our organization. There will be membership applications, information sheets and other items available. We may ask people to register with the offer of a free newsletter to those who do. We need a number of you to assist at the table in ½ hour segments that day. A sign up sheet will be at the September meeting for you to select and sign for the time you can assist. You are not limited to ½ hour if you want to do more, please to so. If you cannot sign up at the September meeting, call Susan Hayes 764-3068 and make arrangements for a time slot.

NEWS

This month Don and I attended the visitation of a former QCSC member and learned of the tragic nature of his death. Lonnie Cain had been burnt in an accident at home and was in the hospital with 2nd and 3rd degree burns when he evidently had a blood clot and died suddenly. We will have a sympathy card at the meeting for those who knew him to sign.

The Bettendorf and Davenport libraries have recently acquired copies of a new Iowa History Society publication about Iowa Post Offices. An article on the new books will appear next month.

An exhibit page is as yet unclaimed from the Clothesline Exhibit. It is a page with 6 LOVE stamps. Contact Steve if it belongs to you.

A date has been set for the Cancer Auction - MARCH 20, 1988. The event will again be held at Jumer's. More information will be printed in November.

\* Juniors \*

Are you guys still out there? Interest seems to be waning in what has been an excellent Juniors program. Chuck has several activities from the summer that lacked the Juniors to carry them out over the summer. It would be a shame to see the group die. Your advisor is having second thoughts about continuing any longer without a promise of your support. Juniors programs are just like adult programs in that they need people to survive.

MEMBER DEALER

Remember this program? We have not had one in some time so to refresh your memory - a member dealer is a member who has a table to sell stamps and so forth for one meeting with no charge.

September: Richard Nanson will have a table with 1840 to 1940 issues worldwide.

Dear QCSC Member,

*This is the beginning of yet another anniversary year; no, I am not referring to the Constitution. This issue is the first issue of volume L of our PHILA-QUAD. In case you are a little rusty on your Roman numerals that is number fifty. I do not know the history on this, but either we had no newsletter before 1937 or this is when the name was decided. Is there someone out there who can give me any of the details regarding the history of our newsletter? I would like to print as many details of interest as possible over the next year.*

*As you may recall from last spring, I announced in the newsletter that I would be moving during the summer and printed my new address. The address and phone number appears as usual on p. 2 but I have decided it might be advantageous to print it here as well as an additional reminder:*
