COLLECTING MONTH

September Program

The program on Swedish Postal History was really extraordinary. I tried to take notes to share some highlights with you but you would need to see it several times to soak it all in. Our compliments to the APS. We look forward to the November thru February programs we have reserved from them.

Quad-City Stamp Club Bourse

Sunday, October 18th, 10 AM to 5 PM
Galvin Fine Arts Center, Room 131
St. Ambrose University
518 W. Locust St., Davenport, IA

Be sure not to forget our bourse. We are happy to announce that all the dealers tables will be occupied. Thanks to all who have signed up to work at the information table. We can still use someone at 11:30 as well as a second person, when we can, for each time slot. The list will be at the meeting so you can check your time and make any necessary changes.

* Juniors *

Juniors now have their own penny box, thanks to a donation of a box full of stamps by Albert Flynn of West Liberty. We appreciate his interest in the younger collector. Our juniors purchased 86 nice stamps at the September meeting with the money going into the club treasury. I think Aaron and Bobbi enjoyed their visit and I hope they will both be back in October. Bobbi and Aaron also received their choice of packets of stamps as door prizes. These packets are part of a showbox full of stamps donated earlier this year by Dick and Jane Castner and their Quad City Stamp Shop. They really welcome junior collectors, so go on over and visit them in Bettendorf.

NEW ISSUE SERVICE

We can supply you with mint new issues for any country or topic as they are issued. Ask us about this service. This method is an excellent way to keep up to date on your collection.

NATIONAL STAMP COLLECTING MONTH

**STEAMING
ALONG WITH
STAMP
COLLECTING
ALL ABOARD!**

This year's promotion will focus on the pleasures of stamp collecting, the significant contributions of the locomotive to moving the mail and the numerous train-related postage stamps. In 1831 when steam-driven engines traveled at only 15 miles per hour, the Post Office began to use the railroads to carry mail over short distances, and by 1836, two years before railroads became post roads, it had awarded its first railroad mail contract. In August 1864 the RPO was begun. This service continued until 1970.

The USPS has featured locomotives and related subjects on approximately 20 stamps and stationery items. This year on October 1 a commemorative booklet of five locomotives was issued. The first day city is Baltimore, MD 21233.

NEWS

Our wishes for a speedy recovery are sent to Ann Van Veen whom we are informed fell and broke her hip in June.

Congratulations to Al and Louise Cabooter who may not be at the meeting. The day after the meeting is their 50th wedding anniversary.

September's raffle winner was a newcomer to the QCSC but her name will sound very familiar. Bobbi Sheets is the sister of Roger and granddaughter of Myrtle.
