COLLECTOR'S DAY AT HAYES SCHOOL

Wednesday, April 26th, Bob Neff and I packed up our albums, glassines, catalogs and other sundry equipment and headed off to Hayes Elementary School in Davenport. Our task was to present three twenty to twenty-five minute presentations on stamp collecting to the school's fifth graders.

We had an enjoyable time, but as you might guess, twenty-five minutes is hardly enough to even get started. I had had experience at both teaching and doing this activity with elementary students. Bob had not but he did a great job and said he really enjoyed the experience.

We bring you back the thanks of the children and staff. The envelopes of stamps were the highlight of the day. The kids were proudly going from our presentation to the next telling all they met how they had gotten stamps at our presentation. We left the extra envelopes, a Minkus American catalog and brochures titled "Introduction to Stamp Collecting" with the librarian for their further use and displays.

CLUB AUCTIONS

EVERY MONTH WE HAVE AN AUCTION, AS YOU WELL KNOW. BUT DID YOU KNOW WHERE THE LOTS FOR THAT AUCTION COME FROM? THE LOTS ARE FROM OUR MEMBERS. THE CLUB RETAINS A 10% COMMISSION AND THE REMAINDER OF THE PRICE REALIZED IS RETURNED TO THE MEMBER.

IF YOU HAVE MATERIAL YOU WOULD BE INTERESTED IN DONATING, CONTACT AUCTION CHAIRMAN GEORGE WOLTERS. IDENTIFY THE ITEMS AND INCLUDE CATALOG PRICES WHERE POSSIBLE.

UNDER NEW MANAGEMENT

New Hours: 9 a.m. - 5 p.m. Monday thru Saturday

HECTOR THE COLLECTOR

Hector the Collector
Collected bits of string,
Collected dolls with broken heads
And rusty bells that would not ring.
Pieces out of picture puzzles,
Bent-up nails and ice-cream sticks,
Twists of wires, worn-out tires,
Paper bags and broken bricks.
Old chipped vases, half shoelaces,
Gatlin' guns that wouldn't shoot,
Leaky boats that wouldn't float
And stopped-up horns that wouldn't toot.
Butter knives that had no handles,
Copper keys that fit no locks,
Rings that were too small for fingers,
Dried-up leaves and patched-up socks.
Worn-out belts that had no buckles,
'Lectric trains that had no tracks,
Airplane models, broken bottles,
Three-legged chairs and cups with cracks.
Hector the Collector
Loved these things with all his soul--
Loved them more than glistenin' gold.
Hector called to all the people,
"Come and share my treasure trunk!"
And all the silly sightless people
Came and looked... and called it junk.

by Shel Silverstein

I PRINTED THIS SEVERAL YEARS AGO. RECENT EVENTS HAVE LEAD ME TO DECIDE IT BEARS REPEATING:

What Went Wrong?

This is a story of four people: Namely: Every-
body, Somebody, Anybody and Nobody.

There was an important job to be done and
Everybody was sure that Somebody would do it.

Anybody could have done it but Nobody did.
Somebody got angry because it was Everybody's
job.

Everybody thought that Somebody would do it.
But Nobody asked Anybody.

It ended up that the job wasn't done and Every-
body blamed Somebody, when actually Nobody asked
Anybody.
