CLOTHESLINE EXHIBITION RESULTS

Thank you to the ten exhibitors who participated in our annual Clothesline Exhibition. There were thirty nine exhibits so we had a nice display. We hope each participant found a use for the plate block each was given for participating.

Unfortunately we were unable to try out our new display system because neither the President nor Vice-President was able to attend. Myrtle Sheets and Dale Walline, who were in chage of the event for us, assured me that putting them out on the tables worked out just fine. Our thanks to them for their efforts and thank again to Dale and Kurt Kehenhackl for serving as judges for the event.

The winners, who will receive their prizes at the meeting are:

OLD CREW RETURNS FOR SUMMER

This month's newsletter was mailed by our dynamic duo of Bahnsen and Simon, reunited for a summer rerun. They will be mailing for us through the month of September.

Steve was anxious for us to mail from Green Island because it is suspected that the office will be closing and this may take place before the fall. You will want to keep this set of stamps even if you do not collect precancels if that closing comes to pass.

VACATION

It is time to give the old typewriter a rest. This is the last newsletter until we begin again in September. You will be receiving postal card reminders of the July and August meetings.

ADVANCE NOTICE

You will recall that several years back I gave up writing the newsletter only to get it back after two other editors gave it a try. I never intended to take it back, but somehow, when I became President, I found myself with the job again.

I will be writing the newsletter in the fall, but only until such time as a replacement can be found. But June 1991 will be my last issue as editor, if not before.

I have enjoyed this job, and I hope you feel I have done a satisfactory job for you. I will be more than happy to train and break in a replacement. I'll even accept volunteers on a trial basis. Think it over, I know there are many of you capable of the job. All you really need is a typewriter and an interest in our club.

JUNIORS

Special news!! The Club will be giving to each Junior a packet of stamps each of the summer months of June, July and August. Each time you attend, you will get stamps you can add to your collection or trade with your friends.

This is not limited to just members. Please invite your friends who may collect or want to start collecting stamps. Just stop by the Penny Box table and tell Bob Verhaeghe you would like a packet of stamps.

The Club want you to know that it is interested in the young collectors in our Club and wants to encourage others to collect. Let us know what type of activities we can have to help you.
