 First the bad news:
 We are sorry to announce that due to sickness of dealers and a lack of exhibits from members, we must cancel the stamp show scheduled for October 25. We hope and plan that the event will be held next year.
 Our good news:
 We again have two new members as of September 10, 1992, and we ask you to welcome them to the Quad City Stamp Club.

For Your Information
FYI

Please note again that the Quad City Stamp Show scheduled for October 25 has been canceled. Several dealers reported that they would be unable to participate even though the total sales in 1991 were \$6,000. We will continue to try to interest dealers. It certainly should benefit any who would come.

The second problem with the show was a shortage of exhibits. The members of the Quad City Stamp Club should feel an obligation to support the activities and that includes preparing an exhibit to show others what you are doing.

No member has applied for a member dealer table in October.

There will be no Juniors table in October because the juniors chairperson will be out of town.

Our White Elephant Auction for October was canceled because only a small handful of lots had been donated. It was decided to move the White Elephant Auction to December to give you more time to get your donations into George Wolters. We need your donations so go through those old boxes and see what you can give. Our rent for the year is paid through the proceeds of this event, so look hard to help as much as you can. Then we will see you in December to buy those same elephants.
