The President's Corner

October is Stamp Collecting Month!! QUADPEX '94 will also be held during this month!! This year's show will be even better than last year's with more dealer's and more exhibits. We still have room for more exhibits and if you are interested in showing off something philatelic, please contact one of the club officer's. We still also need several more people to help at the show. Remember, the show cannot be a success without your participation!
