The President's Corner

ATTENTION!! The location of our monthly meeting has changed!! The Quad City Stamp Club will now meet at the Garden Center at the corner of 34th Street and 5th Avenue in Moline. Please check your maps and leave a few extra minutes to make sure you get there in time!! Thank you to Ray Smith for negotiating the new location as well as a better rate than originally quoted!

Even though we have a better rent, we still need the support of all club members to pay for the rent. This meeting's program is the White Elephant Auction -- so please be generous with your bids.

C. C. Cratsenberg, a two-time president of the QCSC and a past president of the American Philatelic Society passed away this past January. His term at APS saw the initiation of the Sales Department, in which many of us participate.

June Program - The White Elephant Auction

Our White Elephant sale gives us the money to pay the rent on our meeting room. The last few years we have had problems with a good schedule for this event. In our last sale, we did not raise enough to cover the rent costs. The board has decided that a June auction would give us a better chance to donate in time for the sale and also would give us better attendance at that meeting. We do need your help. Try to bid generously to help cover the cost of our club.
