The President's Corner

Our meeting this month will begin at the ROCK ISLAND POST OFFICE!!! The Post Office is located at 1956 2nd Avenue, Rock Island. As requested by the membership we will be taking a tour of the Processing and Distribution Facility. The tour will begin at 7PM, so please be on time!! We will get to see what happens to our mail after it enters the mail stream. After the tour we will adjourn to our regular meeting place, the First Congregational Church for our meeting and auction.

I am writing this the day before QUADPEX 95. I am sure that the show was a success! A thank you to all those who made the event possible - to the volunteers who helped plan, organize and manage the show; to the dealers who brought their stock for us to go through; to the exhibitors who showed what stamp collecting is all about; and to the visitors who attended the show. Thank You!

Our best wishes for a speedy recovery to Ray Wilden! Ray is recovering from bypass surgery. We all hope that he can return to the meetings soon and resume his duties as auctioneer. Get well soon!

It is with regret that we hear that Ray Wilden - our loyal auctioneer - has had multiple bypass surgery. We hear also that his recovery has been good and he should be back with us soon. Best wishes Ray, hurry back, we miss you.

PRECANCEL MAILING OF THE PHILAQUAD

For years the *Philaquad* has been mailed from various post offices in the Iowa-Illinois area. You will notice that this issue was mailed from Altoona, Illinois.

This practice of doing club mailings with precancels dates back over 34 years. The oldest mailing of the club with a precancel was accomplished in October of 1961. It is a notice of the club meeting and had a precancel of Princeton, Iowa.

For the past few years this work has been done by Steve Bahnsen and Cletus Simon. Because of reassignment for Steve they will be unable to continue this service for the club.

If we are to continue to have our newsletter mailed with precancelled stamps, we will need volunteers to take over the responsibility of the mailing. If you want more information about what the job entails please contact Cletus Simon or George Pettigrew.
